

SCA
Meet The Teacher Night
September 13, 2021
Main Session 7pm

The 2021 - 2022 school year is off and running, and we are looking forward to meeting parents, providing the opportunity for you to get to know the SCA staff, and sharing important information for a successful year. We know a strong partnership with parents is important for students to thrive spiritually, emotionally, and academically.

We will begin at 7pm with a main session Google Meet to introduce you to our staff and parent groups and corporately pray together for our year ahead. There will be four, 15 minute break-out sessions, led by individual teachers, following the main session. These sessions are designed to help parents get to know teachers, the course structure, course expectations, and how they can support their child's learning this year.

A Grad session will be held at 8:20pm for parents of grade 12 students.

To attend a Google Meet, you must sign in with a gmail email address. If you do not have a personal gmail address, you are welcome to use your child's school email and password to log-in.

Please use this link for the main session → [Main Session](#)

Please use the links below to join the individual Google Meet sessions.
