

# 2019-20 School Supply Lists

## Instructions

1. This list is a **generic list** that can now be tailored to your school. For example:
  - you can request A markers or B markers – but only one package of them
  - ECS pencils can be the special 3-sided ones – but the maximum can be 5
  - You can request coiled exercise books (just not more than the maximum listed)
  - You can list the brand you want, but not where to buy them (say Crayola pencil crayons – but you cannot say to buy them at Staples).
2. The attached lists indicate the MAXIMUM for each item. For example:
  - if you don't use binders in kindergarten, do not put them on your school supply list
  - if you only need 5 duotangs instead of 10, only put 5 on your list
3. Principals have the discretion to substitute similar items based on need at their school. For example,
  - if your grade 3 class needs 1 pkg of medium tip markers and the list says fine tip markers, you can put medium tip on your list (just not both)
  - if you want pink erasers and not white erasers you can request pink ones (just not both) bad example I know
4. As EIPS promotes a scent aware environment, unscented water-based washable markers are recommended, when possible. Washable water-based markers like Crayola brand would be a good standard. Unlike alcohol-based or solvent-based markers, these markers are odorless due to the lack of chemicals. This makes them safer and ideal for students.
